- ▶ Pune's real estate sector gets buoyed after rate cut
- ▶ Kolkata buyers prefer apartments over standalone houses

The highlight of the event was the inauguration of R-Club, the beautiful clubhouse at Runwal Greens. It is the largest clubhouse in any residential complex in Mulund and one of the largest amongst the residential complexes in the city. It features a vast range of recreational facilities. Two swimming pools, fully equipped gym, multiple indoor games including pool and foosball, steam room, massage room, squash court, tennis court, badminton and basketball facilities are just some of

its features. R-Club also has a high tech golf simulator, a mini theatre, premium guest rooms which can be booked by residents, a beautiful café and a crèche too, where the residents can safely leave their young ones when required. Runwal Greens is a landmark in Mulund and a symbol of luxurious living. With the addition of R-Club, the lifestyle quotient of this property has gone up manifold.

Speaking about the project, Mr. Subodh Runwal, Managing Director, Runwal Group said, "Runwal Greens is our showcase project and we are determined to make it the best address in the central suburbs of Mumbai. Today, it is already a prominent landmark in Mulund and the only new luxury project of this magnitude which is delivered. We are committed to fulfilling all our promises to the residents and getting R-Club operational is a part of this endeavour. We thought Valentine's Day would be the apt occasion for this as we wanted to express our love for our customers and we are certain the residents too will fall in love with this new facility. We shall continue our efforts to delight the residents I am sure Runwal greens will set a benchmark when it comes to lifestyle addresses."

Runwal Greens is spread across an approximate area of approx.22 acres with about 7 acres of green open spaces, including a cricket ground. It features eight majestic high-rise residential towers and R-Galleria, a premium retail arcade. It has apartments in 2BHK – 4BHK configurations with numerous modern amenities and infrastructure. The first phase of the project, comprising of 4 towers has already been completed. The next phase is currently in the final stages and shall be completed soon. Great location, beautiful homes and premium lifestyle amenities make Runwal Greens one of the most sought after addresses in the city.
